STATEMENTS OF REASONS

PROPOSED ENFIELD TOWN CONTROLLED PARKING ZONE REVIEW INCLUDING THE INTRODUCTION OF A SUB-ZONE OPERATING MONDAY-SUNDAY AND AMENDMENT TO

EXISTING AND ADDITIONAL WAITING RESTRICTIONS

A review of the Enfield Town Controlled Parking Zone has ascertained that certain areas close to the shopping centre need to be controlled on Sundays to reduce congestion and improve residential amenity.

The review has also identified that certain streets on the fringe of the existing zone need to be included into the zone because of high levels of demand for on-street parking space. To regularise this demand it is considered necessary to extend the existing boundary of the zone.

New designated residents and shared-use (residents' and business) parking places as well as the introduction of waiting restrictions (yellow lines) would need to be implemented in the new areas.

Generally, controlled hours waiting restrictions would apply within the zone, although at certain locations twenty four hours and other waiting restrictions would need to be kept or introduced to keep sight lines clear at junctions, or other places where allowing parking would be dangerous.
